Saint Regis Mohawk Tribe

CANNABIS CONTROL OFFICE

MEDIA RELEASE

Cannabis Product Testing

AKWESASNE, NY – (Kentenhkó:wa | November 10, 2026) The Saint Regis Mohawk Tribal Cannabis Control Office is notifying the community of the results of October 2026 testing conducted in accordance with our Adult Use Cannabis Ordinance for cannabis product testing. Of the fifty-three (53) samples tested, forty-eight (48) products have **PASSED** all limits set forth for contaminants. Five (5) cannabis products tested positive in the Pesticide category of contaminants.

We are pleased with all the businesses who participated in the testing and applaud their commitment to the safety of the community. They are as follows:

A Team Products	Lawless & Co.	Sovereign Fort Covington
Another Damn Pot Store	Marijuana World	The Source Cannabis Co.
Bankside Cultivation	NY Venture Capital	Tru-Bloom
Budders Cannabis Store	Original Cannabis Co.	Wacky Tobacky
Dank Bank	Otsi:re Cultivation	Weedway
DB Farms	Otsi:re Processing	World Famous Blaze
East End Cannabis Co.	Prime Cannabis Co.	
Higher Ground Cannabis Co.	Sovereign Akwesasne	

We have worked with the specific businesses to ensure contaminated products were removed from the shelves, so not to be made available for consumption.

Many of these products can be found in several of Akwesasne's cannabis businesses, therefore, it is advised that the public be responsible and shop with care when choosing products from businesses that do not participate in regulated licensed laboratory testing and are transparent in making results public knowledge.

For more information and to explore the complete list of licensed retailers, and results please visit www.srmt-nsn.gov/cannabis

The Saint Regis Mohawk Tribe's Cannabis Control Office is committed to fostering a compliant and thriving cannabis industry within the Tribe's jurisdiction. The office works closely with licensed retailers to ensure adherence to tribal regulations and promotes community awareness about the positive impact of supporting tribally licensed businesses.
